

A modern interior space featuring a curved white wall and a light-colored wooden floor. A small white table holds a vase with dried flowers and two black figurines. A large orange rectangle is overlaid on the right side of the image, containing the company name and profile text.

ZKHSMART

COMPANY PROFILE

The background features a light gray surface with several overlapping white papers. On the papers, there are faint line-art icons: a speaker with sound waves, a document with a checkmark, and a music note. A dark gray triangular object is visible in the top right corner.

About Us

20+ years experience

With over 20 years of international experience in smart home technology, our roots began in Canada, where we specialized in high-end automation solutions. In 2023, we brought that expertise to Dubai-establishing a company built on precision, innovation, and uncompromising quality.

Our mission is simple: to deliver elegant, intelligent systems that enhance the way you live. Every project reflects our deep technical knowledge, attention to detail, and commitment to a seamless client experience.

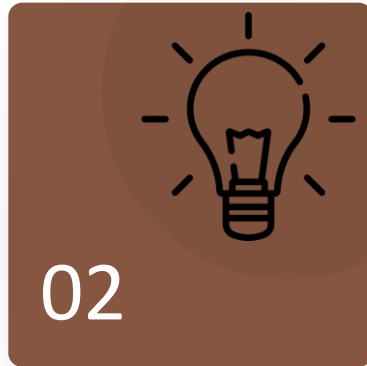

Our Services

Smart Home Automation

Effortless control of your entire home — lighting, climate, shading, audio, and security — all from one intelligent system.

02

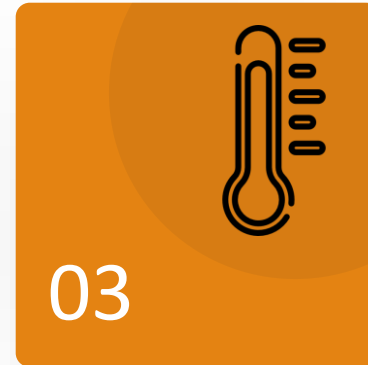

Lighting Control

Create the perfect atmosphere with customized lighting scenes and intuitive controls that adapt to every moment.

Climate & HVAC Integration

Smart temperature control that keeps your home comfortable and efficient, automatically adjusting to your lifestyle.

04

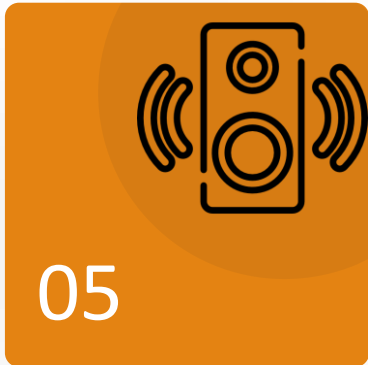

Security and Access

Discreet, smart protection with CCTV, intercoms, and access systems that keep your home secure — from anywhere.

Maintenance and Support

Our commitment goes beyond
installation. We offer ongoing
system maintenance and responsive
support to ensure peak
performance at all times.

What Sets Us Apart

*At **ZKH Smart**, we don't just install systems, we craft **intelligent living experiences** that are as refined as they are reliable. Every solution we design is tailored to your lifestyle, your space, and your expectations for comfort, control, and elegance.*

We believe that a true smart home isn't about complexity — it's about simplicity that works beautifully in the background. From seamless lighting transitions to climate that adapts to your preferences, our systems are built to enhance your daily routines without ever getting in the way.

Backed by over two decades of global experience, we combine technical mastery with an obsessive attention to detail. Whether you're building a luxury villa or upgrading a modern penthouse, we bring together cutting-edge technology and design sensibility to deliver a home that responds to you — effortlessly.

- **Tailored Luxury Living** - Every project is custom-designed to suit your lifestyle, architecture, and aesthetic — no off-the-shelf systems.
- **Reliability You Can Count On** - We use only premium components, installed with precision and supported by ongoing service and maintenance.
- **End-To-End Service** - From design to aftercare, we handle every detail — ensuring a smooth, stress-free experience from start to finish.

”

“Design is not just what it looks like and feels like. Design is how it works.”

— *Steve Jobs*

Project Portfolio

let's keep moving forward

Jumeirah Golf Estates JGE20

Project Highlights

*In one of Dubai's most prestigious gated communities, ZKH Smart delivered a full-spectrum home automation solution for a private villa in **Jumeirah Golf Estates** — designed for effortless control, elevated comfort, and modern luxury. This 5-bedroom residence was transformed into a truly intelligent home, integrating Loxone technology to manage **lighting, climate, shading, access, and even the swimming pool** — all from a single, easy-to-use interface.*
